As considered at the Eighth Meeting of the Ninth Session of the Board of Directors of ZTE Corporation (the "Company"), the exercise conditions for the second exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme of the Company have been fulfilled, and it is approved to adjust relevantly and cancel certain share options, the details of which are announced as follows:

I. Brief description of the 2020 Share Option Incentive Scheme

As considered and passed at the Twenty-fifth Meeting of the Eighth Session of the Board of Directors and the Eighteenth Meeting of the Eighth Session of the Supervisory Committee of the Company on 12 October 2020 and the Second Extraordinary General Meeting of 2020 on 6 November 2020, pursuant to the "ZTE Corporation 2020 Share Option Incentive Scheme (Draft)" (the "Draft Scheme"), a total of not more than 163,492,000 share options were granted to participants by the Company, of which 158,492,000 share options were granted initially, 5,000,000 share options were reserved.

As considered and passed at the Twenty-seventh Meeting of the Eighth Session of the Board of Directors and the Twentieth Meeting of the Eighth Session of the Supervisory Committee of the

Company on 6 November 2020, the date of the first grant of share options under the 2020 Share Option Incentive Scheme of the Company was set for 6 November 2020 (Friday).

As considered and passed at the Forty-second Meeting of the Eighth Session of the Board of Directors and the Thirty-third Meeting of the Eighth Session of the Supervisory Committee of the Company on 4 November 2021, the adjustments to participants and number of the first grant of share options under the 2020 Share Option Incentive Scheme, cancellation of share options previously granted to participants who no longer fulfilled the conditions to be a participant and who did not meet the exercise conditions for the first exercise period, and confirmation of the fulfillment of exercise conditions for the first exercise period, were approved.

As considered and passed at the Eighth Meeting of the Ninth Session of the Board of Directors and the Sixth Meeting of the Ninth Session of the Supervisory Committee of the Company on 4 November 2022, the adjustments to participants and number of the first grant of share options under the 2020 Share Option Incentive Scheme, cancellation of share options previously granted to participants who no longer fulfilled the conditions to be a participant and who did not meet the exercise conditions for the second exercise period, and the unexercised share options upon the end of the first exercise period, and confirmation of the fulfillment of exercise conditions for the second exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme of the Company, were approved.

There is no difference between the implemented share option incentive scheme and the disclosed share option incentive scheme.

II. Description of the adjustment of the first grant of share options under the 2020 Share Option Incentive Scheme and cancellation of certain share options

1. Details of the adjustment of the participants and number of share options

Before the commencement of the first exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme of the Company, the number of participants had been adjusted to 5,971 and the total number of share options had been adjusted to 154,675,339. For details, please refer to the “Overseas Regulatory Announcement Announcement on the Adjustment of Participants and Number of Share Options of the First Grant under the 2020 Share Option Incentive Scheme” published by the Company on 4 November 2021, where the number of share options for the second exercise period is 51,612,424.

Before the commencement of the second exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme, the details of the adjustment of participants and number of share options are as follows:

(1) As 141 of the original participants have departed, 3 have retired and 1 have acted as Supervisor of the Company, they are no longer eligible as participants under the 2020 Share Option Incentive Scheme. Pursuant to the Draft Scheme, the Company shall disqualify the 145 aforesaid persons from participation in the 2020 Share Option Incentive Scheme and a total of 2,606,067 share options (including the 1,302,933 share options for the second exercise period) granted to but unexercised by the 145 aforesaid persons shall be withdrawn and cancelled by the Company without compensation;

(2) As 10 of the participants were subjected to demerit or more serious disciplinary actions by the Company during the effective period of the 2020 Share Option Incentive Scheme, they have not fulfilled the exercise conditions for the second exercise period. Pursuant to the Draft Scheme, a total of 118,996 of their granted but unexercised share options for the second exercise period shall be withdrawn and cancelled by the Company without compensation.

Following this adjustment, the number of participants entitled to exercise the share options during the second exercise period will be adjusted from 5,971 to 5,816, and the number of exercisable share

options for the second exercise period will be adjusted from 51,612,424 to 50,190,495.

2. Cancellation of certain share options

(1) In view of the two adjustment items mentioned in “1. Details of the adjustment of the participants and number of share options”, the Company shall cancel a total of 2,725,063 share options.

(2) As at the date of this announcement, the first exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme has ended, and 51,375,352 share options have yet to exercise. Pursuant to the Draft Scheme, the unexercised 51,375,352 share options upon the end of the first exercise period shall be invalidated and cancelled by the Company without compensation.

A total of 54,100,415 share options shall be canceled by the Company. The Company will handle matters related to the cancellation in China Securities Depository and Clearing Corporation Limited, Shenzhen Branch. The cancellation represents normal adjustments conducted in accordance with relevant provisions under the Draft Scheme, and the cancellation will not affect the implementation of the 2020 Share Option Incentive Scheme.

Following this adjustment and cancellation, the number of the first grant of share options under the 2020 Share Option Incentive Scheme will be adjusted from 154,675,339 to 100,574,924, the details of which are as follows:

Item	Before Adjustment	After Adjustment
Total number of the first grant of share options	154,675,339	100,574,924
As a percentage of the existing total share capital of the Company	3.27%	2.12%
Number of participants of the first grant	5,971 persons	5,826 persons
Number of exercisable share options during the second exercise period	51,612,424	50,190,495
As a percentage of the total number of the first grant of share option	33.37%	49.90%
As a percentage of the existing total share capital of the Company	1.09%	1.06%
As a percentage of the existing A shares of the Company	1.30%	1.26%
Number of persons entitled to exercise the share options during the second exercise period	5,971 persons	5,816 persons

III. Description of the fulfillment of the exercise conditions for the second exercise period of the first grant of share options under 2020 Share Option Incentive Scheme

(I) The second exercise period is forthcoming

Pursuant to the Draft Scheme, the date of the first grant of share options under the 2020 Share Option Incentive Scheme was set for 6 November 2020. Participants may exercise the granted share options in three periods. The second exercise period commences on the first trading day after expiry of the 24-month period from the date of grant and ends on the last trading day of the 36-month period from the date of grant. Accordingly, the second exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme will be the dates on which the share options are exercisable during the period from 7 November 2022 to 3 November 2023. Following the above adjustment, the number of participants entitled to exercise the share options during the second exercise period will be 5,816 and the number of exercisable share options will be 50,190,495.

(II) Exercise conditions for the second exercise period have been fulfilled

1. Exercise conditions for the second exercise period in relation to the Company’s business performance: The total net profit attributable to holders of ordinary shares of the listed company for

2020 and 2021 not lower than RMB 6.47 billion.

According to the audited 2020 and 2021 financial reports of the Company considered and passed at the 2020 and 2021 Annual General Meeting of the Company, respectively, the net profits for 2020 and 2021 were RMB 4.26 billion and RMB 6.813 billion, respectively. The exercise condition for the second exercise period of “the total net profit for 2020 and 2021 not lower than RMB 6.47 billion” has been fulfilled.

2. Events described in Paragraph 1 under Article 20^① of the 2020 Share Option Incentive Scheme (Draft) have not happened to the Company during the valid period of the 2020 Share Option Incentive Scheme prior to the commencement of the second exercise period.

3. Events described in Paragraph 2 under Article 20 of the 2020 Share Option Incentive Scheme (Draft) have not happened to the participants during the valid period of the 2020 Share Option Incentive Scheme prior to the commencement of the second exercise period. The participants entitled to exercise have passed the performance appraisal for the previous year.

Based on the above, the exercise conditions for the second exercise period of the first grant of share options under 2020 Share Option Incentive Scheme of the Company have been fulfilled.

(III) How non-fulfilled share options will be dealt with

In accordance with the Draft Scheme, share options not qualified to be exercised or share options not exercised after the conclusion of the exercise period will lapse and will be withdrawn and cancelled by the Company without compensation.

(IV) Arrangements for exercise

Note2: There is a difference in the mantissa between the partial total number and the number of the sum of the direct addition of each sub-total number, which is caused by rounding.

3. Exercise price

Pursuant to the Draft Scheme, the exercise price for the first grant of share options under the 2020 Share Option Incentive Scheme is RMB 34.47 per share.

4. Exercise period

The second exercise period for the first grant of share options under the 2020 Share Option Incentive Scheme shall be the dates on which the share options are exercisable during the period from 7 November 2022 to 3 November 2023. It is pending to go through relevant procedures with China Securities Depository and Clearing Corporation Limited, Shenzhen Branch.

Participants shall not exercise their share options during the following periods in accordance with the Draft Scheme and “Shenzhen Stock Exchange Self-Disciplinary and Regulatory Guide for Listed Companies No. 10 — Management of Shareholding Changes”:

(1) The period commencing on the date which is 30 days prior to the publication of annual report and interim report, or in the event of delaying the announcement date for special reasons, 30 days prior to the original date of publication;

(2) The period commencing on the date which is 10 days prior to the quarterly report, preliminary results announcement or express results announcement of the Company;

(3) The period commencing on the date on which a significant event that may have a material impact on the trading prices of the Company's shares and their derivative products or the date on which the decision-making relating to such significant event has started and ending on the day after the relevant announcement in accordance with the law; and

(4) Other periods stipulated by the CSRC and Shenzhen Stock Exchange.

"A significant event that may have a material impact" described above shall be transactions or other significant events required to be disclosed by the Company under the Rules Governing the Listing of Stocks on the Shenzhen Stock Exchange or Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

5. No Director or senior management who are scheme participants has traded in the share of the Company during the 6 months immediately prior to the date of this announcement.

6. The participants shall exercise the share options on a voluntary basis and shall complete custodian registration procedures with China Securities Depository and Clearing Corporation Limited, Shenzhen Branch.

7. Management of proceeds from the exercise of share options and arrangements for the payment of personal income tax

Proceeds received from the exercise of share options shall be placed in a designated account of the Company. Participants shall not be required to pay any consideration to the Company on application or acceptance of the share options. Funds required for the exercise of options shall be paid on the date on which the participants exercise the share options and it shall be financed by the participants on their own. The Company undertakes not to provide any loans or financial assistance in any other forms to the participants for their exercise of share options under the 2020 Share Option Incentive Scheme, including the provision of guarantee for loans. Gains generated by the participants shall be subject to personal income tax and other tax charges in accordance with national laws and regulations on taxation.

8. The exercise of share options will not result in the distribution of shareholdings not meeting listing requirements

The 50,190,495 currently exercisable share options account for 1.06% of the total 4,736,112,508 shares of the Company. The total share capital of the Company will increase to 4,786,303,003, considering the full exercise of share options exercisable in the second exercise period, which will not result in non-compliance with listing requirements regarding the breakdown of shareholdings.

(V) The effect of the exercise on the financial conditions and results of operation of the Company for the relevant year

In accordance with the "ASBE 11 – Share-based Payment", services rendered by participants are charged to relevant costs or expenses at the fair value of the share options on the date of grant and the capital reserve is credited accordingly, based on the best estimates of number of exercisable share options. During the exercise period of the share options, the Company will not adjust recognised costs

or expenses. According to the actual situation of exercising, the Company recognized monetary funds received, as well as the increase in the share capital and capital reserve. If the share options for the second exercise period are exercised in full, the total share capital of the Company will increase by 50,190,495 shares, and its capital reserve will increase by RMB 1,679,875,868. The actual figures of the effect are subject to figures audited by the accountant.

IV. Independent opinion of the Independent Non-executive Directors

1. The adjustment is in compliance with relevant provisions of “Administrative Measures on Share Incentives of Listed Company” (《上市公司股權激勵管理辦法》) and Draft Scheme, and has conducted necessary procedures without compromising the interest of the Company and its shareholders.
2. The cancellation of certain share options is in compliance with relevant provisions of “Administrative Measures on Share Incentives of Listed Company” and Draft Scheme, and has conducted according to currently required procedures. It is approved that the Company shall handle matters related to the cancellation of share options in accordance with relevant provisions.
3. The exercise of share options does not compromise the interest of the Company and its shareholders. It is approved that the exercise conditions for the second exercise period of the first grant of share options under the 2020 Share Option Incentive Scheme of the Company have been fulfilled.
